From The General Managers Desk

Doug Shiple - GM

Dear Members,

The pool is up and running, though the weather hasn't exactly been ideal for swimming just yet. If you're interested in swim lessons, please reach out to Karsen or Emmalee. We hope you'll visit often this summer and let us take care of you for a relaxing and enjoyable pool season. A reminder of the pool rules will be sent out to the membership next week.

Our new deep fryer has been ordered but is currently on a short backorder. I've been notified it should arrive by June 10th. Thank you for your patience, and I apologize for any inconvenience this may have caused.

Please join me in thanking Ben Hutton, Jeff Hansen, and JP Wachter for their outstanding dedication and service on the Board of Directors and various committees over the past 3-4 years. Their commitment through many long meetings and late nights is truly appreciated.

You may have noticed some recent updates: the awning above the Grill Room and the FGC sign at the Somers Avenue entrance have both been refreshed. These projects were generously funded by the Fremont Ladies Golf Association and proceeds from the Lady Bug Tournament.

Special thanks to Janet Saeger for planting the beautiful flowers around the clubhouse, pool, and golf course. Everything looks wonderful—thank you, Janet!

I also want to recognize Josh Hegy, Nick Mueller, Andrew, and the entire grounds crew for their tireless efforts restoring the course after the recent storms. Their dedication and hard work have not gone unnoticed.

As I reflect on this newsletter, I realize how many people contribute to the success of Fremont Golf Club—from our staff, board members, and committee volunteers to professional partners, vendors, and generous members. Your support is vital, and we appreciate each and every one of you.

Andi, Nathan, and I are in the final stages of transitioning from our old Club Tec software to NBC Sports software. In the coming days, I'll send out instructions on how to access your account, view charges, and make payments. This process has been challenging, and you'll notice that posted items may look a little different. The Fore-Tees software remains unchanged. If you have any questions after reviewing your statement, don't hesitate to contact us.

Be sure to check out the newsletter and calendar for all the exciting June events—and stay tuned, as there's plenty more fun ahead all summer long.

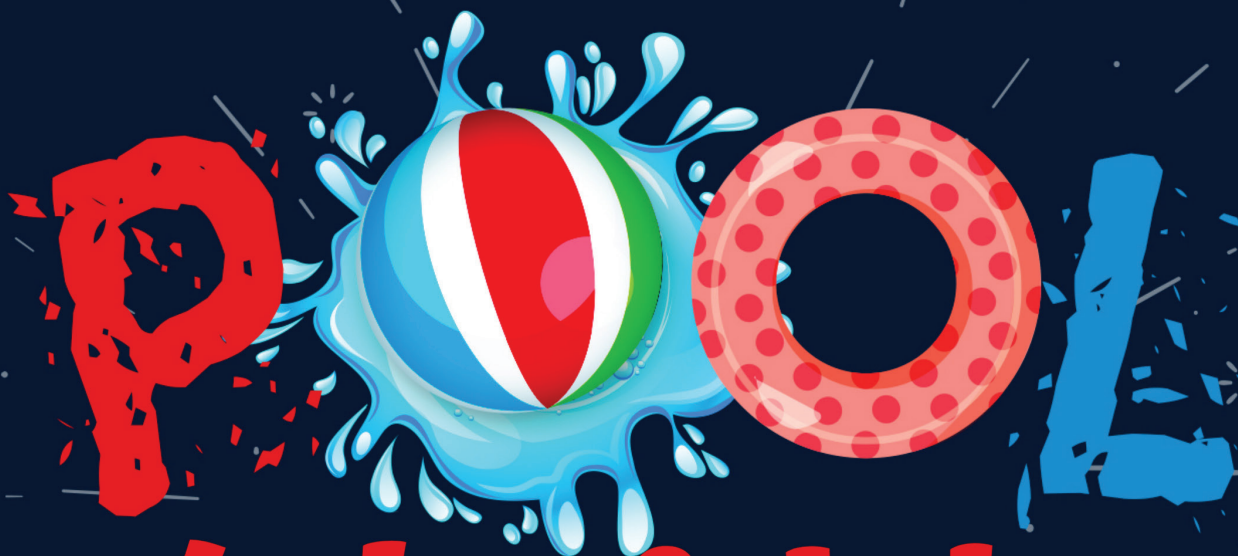

See you soon,
Doug

Braden Cleveland - Executive Chef

June is already upon us, and I hope everyone is enjoying the fresh flavors of our new summer menu! Designed with the season in mind, this menu is packed with vibrant, bright dishes that are perfect for warm weather dining.

As summer kicks into full swing, we're gearing up for Rawhide and a busy season of tournaments and events at the club. If you haven't had a chance to try the new menu yet, now's the perfect time to stop by and see what's new.

In regards to the grill room, our new fryer should be arriving by June 6th if everything remains on schedule. As soon as the new fryer is installed, we will resume serving fried food as well as our full grill room menu.

Best regards,

Chef Braden Cleveland.

News From The Course

Josh Hegy - Director of Agronomy

The golf season is in full swing and the weather is starting to straighten out! With the recent rain and cooler weather, the golf course is in great shape headed into the summer season.

The hail damaged greens are starting to heal up. Lots of mowing and general maintenance is keeping the entire staff busy every day. The Agronomy Team looks forward to this time of year with all the great tournaments and events we host. All of the hard work really starts to show the results and is very rewarding for our staff. Everyone on the Agronomy Team take a lot of pride in the work that is performed on the course. All the early mornings and working through cold temperatures really start to pay off! I am very proud of the work that my crew puts forth and I believe the results are showing up on the course! Enjoy the beautiful weather before the heat of summer sets in! I look forward to see everyone out on the course.

Golf Shop News

Nathan Kalin - PGA Director of Golf

What a year so far! Our course is in the best condition ever thanks to Josh and his staff and their hard work along with all of the rain. Many of you have been out already and we hope that trend continues. We have many exciting events planned to keep you busy throughout the summer at "Your Club". Events are always listed on our website, newsletter and ForeTees site and app. If you would like any more information on an event, or would like to sign up for an event, please call the golf shop 402-721-6642

A quick reminder that the "NO DENIM POLICY" is now back in effect. Club rules state denim cannot be worn on the course or range between Memorial Day and Labor Day. Keep this in mind if you invite guests to play, they too need to be aware of this policy.

Don't forget Dad on June 15TH (Father's Day). We have been busy stocking the shop with new apparel and equipment. My staff and I can help you find that special gift to keep him happy this year. We will be offering special sales on Men's clothing and accessories the week leading up to "Father's Day."

We still have openings in our Ladies Rawhide Rumble Member Guest event on Wednesday, June 11th beginning at 1:00. Visit Foretees or call the Golf Shop to sign up for this fun filled afternoon of golf and dinner at FGC. Looking forward to seeing all members and kids at FGC during the summer months!!!
