## Doug Shiple - GM

As we transition into September, we have several updates to share:

### 1. Pool Season Closing – 9/1/25:

The pool is closing for the season on Monday, September 1st, contingent on weather conditions and lifeguard availability. I am pleased to report that the upgraded pool filter system installed last year has significantly improved our operations, preventing any chemical or algae issues for the entire season.

### 2. Staffing Changes and Dining Reservations:

With the return of high schools and colleges in session, many of our food and beverage, golf, and course staff members have departed. We ask for your patience as we deal with staff shortages and train new staff. To ensure a smooth dining experience, please make reservations whenever possible. Your cooperation is greatly appreciated.

### 3. Fall Golf Season:

Fall is an excellent time for golf, with beautiful course conditions and cooler temperatures. We encourage you to come out and enjoy the season with us.

### 4. Membership Opportunities:

We currently have openings for both golf and clubhouse memberships. If you or someone you know is interested, please contact Andi or me for more information. We are committed to making Fremont Golf Club the best it can be. Your feedback is always welcome, and I am only a phone call away if you have any questions or comments.

Take care,  
Doug

# Food & Beverage Fare

## Patrick Mactier-Food & Beverage Manager

Fall is upon us! This fall season we will be open for dining on Sundays. Our Sunday menu will focus on comfort food created by Chef Braden. Beginning Sunday, September 14th, we look forward to expanding our club dining hours and menu. Also a reminder to check us out on Wednesday's for our Wine down Wednesday specials. Where you can enjoy 50% off select bottles of wine. Yannick will be launching his fall cocktail list this month as well. He will be featuring some fun fresh fall flavors that will be sure to please.

Wrapping up September we have a Ladies night out event planned that will feature a free wine tasting, a tiny tattoo station, and a permanent jewelry station. So mark your calendar for September 26th.

CHEERS!

# Chef's Corner

## Braden Cleveland - Executive Chef

With fall arriving, the golf season begins to wind down but there is still plenty to look forward to. Our new fall menu will be launching soon featuring warmer seasonal flavors perfect for the crisp weather. The sweet potato soup will be returning as well. I am excited for our upcoming Fall Festival to celebrate Oktoberfest. This event will feature a German inspired buffet, hard cider tastings, caramel apples, and more! I hope everyone enjoyed the summer and feel free to run ideas by me for things you'd like to see in the grill room or upstairs next summer. I look forward to a great fall season.

Best regards,  
Chef Braden Cleveland

# News From The Course

## Josh Hegy - Director of Agronomy

Rain and very hot humid days were the story for August! Not the ideal conditions to grow grass that is for sure. Despite the weather conditions lots of great golf was played in August at FGC. Starting Tuesday after Labor Day we will begin to aerate greens, tees, and fairways. Aeration is very important for the long-term health of the course. Aeration allows water, nutrients, and air to move down to the roots. The process for greens aeration includes using a machine to poke holes into the turf, sand is then dragged into the holes with a pull behind brush. After the holes are all filled the excess sand is blown off leaving a nice smooth surface. Seed and Fertilizer will also be applied to the greens before completion. A similar process will be done to the tees and fairways.

Please help the Agronomy Team out by not applying bug spray or sun screen spray on any of the grass! This has happened on a few of the greens in the last month resulting in dead grass. Please go to any concrete or gravel area when applying bug spray. Thank you!

# Golf Shop News

## Nathan Kalin - PGA Director of Golf

The "Fall" is fast approaching, and with it hopefully comes with some cooler temperatures. We still have some fun events coming up, so don't give up on golf yet.

Please be aware that aerification will take place on September 2nd through 4th. The course, practice facilities and golf shop will be closed on the 2nd to allow Josh the time and space needed to conduct his work. We hope the weather will cooperate and the course back to pristine condition in no time. This year Josh will be aerifying the tees and some of the fairways the same week as well. The course will be closed the 3rd & 4th however that may be adjusted based on progress. The range will be open during this time. We appreciate your patience and understanding and this practice is necessary to keep our greens, tees and fairways in the best shape possible.

I want to remind everyone to post their scores when they come out to play golf. My staff posts all leagues scores and men's stag scores, but any and all other scores we ask you to post on your own. This includes 9 or 18 holes rounds, and any match play matches where at least 13 holes are completed. That is right, a match play score can be posted if at least 13 holes have been played. You take par plus any handicap strokes for the holes not played. Also, we have members ask about if putts are conceded in match play what to write down as your score. The USGA policy is write down your most likely score (use your judgment).

Congratulations to our 2025 Member/Member Champions. Dr. Jeff Hawthorne & Tim Goldsberry won the men's division. Shelly Miratsky & Jo Wacker won our ladies division. The Member/Member continues to be one of the best events at FGC with 136 players competing in 2025. Be sure to add it to your golf calendar in 2026.

As you look at your August statement you will notice that we billed our season long event fees including men's match play, 2 man match play, Monday ladies league, ladies match play and 2 lady match play. All of those credits will be paid out as the events are finalized in September and October.

Fall golf is some of the best of the year. Looking forward to seeing everyone until the snow flies.
