Letter From The President

Tim Ferguson-Board President

To the members of Fremont Golf Club, I have had the privilege of serving on the Board of Directors for your golf club for the past couple of years and am honored to continue for the next year in the capacity of President. I do not take this honor lightly and am excited to help our board members, committees and past Presidents help grow this amazing place and take us to the next level as one of the premier golf clubs in the Midwest.

We have completed some significant projects over the past few years, including the bunkers, pool upgrades, bridges on holes #8 and #9, and the numerous upgrades that the Ladybug committee continues to impress us with. We have more in store for the future, including a new bridge on the approach to #3 and hopefully a new maintenance shop for Josh's crew.

Having just completed the Rawhide I was able to ask the non-members and members alike how they felt being at FGC for the event. Not a negative word was spoken, and I had multiple compliments on the course conditions, the amazing food, the professionalism of the golf club management and the overall treatment and service put forth by every staff member.

Please reach out to me or any member of the Board for any suggestions to make your club even better, that is what we strive for and why we volunteer our time.

Thank you for your continued patronage and here's all of us having a great year at Fremont Golf Club!

Respectfully,
Tim Ferguson
Board President

From The General Managers Desk

Doug Shiple - GM

Dear Members,

Between the Women's and Men's Rawhide Rumble tournaments, regular member play, a fantastic Father's Day brunch, and full crowds at the pool, it's been a busy and exciting few weeks at the Club. Every department rose to the occasion, and I want to extend my sincere thanks to all of our employees for their hard work and dedication.

Both the Women's and Men's Rawhide events were tremendous successes and enjoyed by all who participated. A special thank you goes out to everyone who took part and to our generous sponsors for helping make these tournaments memorable.

Looking ahead, July promises to be another action-packed month on the course.

Upcoming golf events include:

- Men's Stag – July 10
- LGA Guest Day – July 16
- Couples Golf – July 18
- Men's Club Championship – July 19
- Boxcar Senior Guest – July 24-25
- Women's Ladybug Tournament – July 26

In addition to these club events, we'll be hosting several private golf outings throughout the month.

Over at the pool, we have a full lineup of summer fun, including our annual July 4th Pool Party, Christmas in July on July 12, and a brand-new event: "Fins Up Fiesta" on August 2. This adult-only party (21 and over) will feature a Jimmy Buffet-themed celebration with live music from the Swamp Boys Blues Band. The second session of swim lessons begins July 7—please see Emmalee or Karsen if you're interested or have any questions.

In the clubhouse, we're also keeping busy with a mix of private parties and club events. Mark your calendars for:

- 2 for \$35 Dinner Special – July 11
- Sips and Sounds – July 18
- Sunday Brunch – July 27

Please remember to check the club calendar and make reservations for evening dining whenever possible.

Looking further ahead, Andi has already begun booking private Christmas parties. It's not too early to reserve your date—there are still several prime options available.

Finally, I'd like to extend a warm welcome to all of the new members who've joined since the beginning of the year. We're glad to have you as part of the FGC family. If there's anything you need or any questions you may have, please don't hesitate to reach out.

Wishing you a safe and enjoyable Fourth of July weekend—I hope to see you at the Club soon!

Warm regards,

Doug Shiple, General Manager

July is going to be a HOT one. I have some tasting events that will be sure to please. We're starting it off July 16th with a Free wine tasting. I have personally tried them all. Full flavored wines at a reasonable price. Still working on the dates for another Free bourbon tasting. We will be tasting Bardstown bourbons, they are very flavorful and at a great price point as well.

Mark your calendar for August 2nd! We will be having our Fins Up pool Party! LIVE Music, Free Tequila Tasting, and Chef Braden has a amazing food menu. Come check us out in the clubhouse for a great dining and drinks experience. Chef Braden has great weekly specials and Yannick always has new fun cocktails to enjoy.

Summer is flying by! June was a busy and exciting month here at FGC, filled with great events and golf outings. I hope everyone who joined us for the Rawhide Party and Father's Day Brunch had a fantastic time.

There's plenty more to look forward to this season, and I invite you to dine with us upstairs more often — we'd love to see you. I'm also proud to announce that Jeff Perkins has been promoted to sous chef. Jeff began with us as a cook not long ago, and many of you will recognize him from grilling out front on the charcoal grill. Please join me in congratulating him!

As always, we value your feedback. When dining with us, please take a moment to fill out a comment card — your input helps us grow and improve. And whenever possible, make a reservation so we can serve you better.

Looking ahead, we're excited for a strong July and the rest of the golf season. In August, stay tuned for more fun events: an Italian wine dinner and a Jimmy Buffett-inspired pool party!

Best regards,
Chef Braden Cleveland

News From The Course

Josh Hegy - Director of Agronomy

July typically starts the long stretch of hot humid weather in the Midwest. What will that mean for the turf on the golf course? As the heat and humidity rise, the turf will need lots of extra attention to help keep the plants alive and performing well. Keeping the plants healthy and protected from diseases and insects is very important. We do this by applying plant protectant products like fungicides and other products. Another important aspect is moisture management. Applying just enough water to keep the plants alive is the best water management strategy. Over watering turf will cause root problems, diseases, and poor turf quality. In order to keep the putting greens at just the perfect moisture the Agronomy Team will be out hand watering. With the help of a moisture meter (a tool used to measure the percentage of water in the soil) we can identify the areas of the green that are in need of water.

Golf Shop News

Nathan Kalin - PGA Director of Golf

The temperatures are rising so that must mean July is here. Kudos to Josh, Nick, Andrew and their staff for keeping the course in great shape with the rain that we have had.

The annual Rawhide Rumble Member/Guest was one of the most fun, competitive and entertaining Member/Guest events in recent memory. A BIG THANKS TO EAGLE DISTRIBUTING & FREMONT BEEF FOR THEIR SPONSORSHIP. Lyle & Josh Boggs defeated Tim Davis & Jeremy Murman on the 3rd playoff hole for the win. We had a slight curve ball as Team Boggs elected for a swim in the pool vs Paden's Pond following their victory. IF YOU HAVE NOT PLAYED IN THE RAWHIDE RECENTLY PUT IT ON YOUR CALENDAR AS IT'S THE CAN'T MISS GOLF & SOCIAL EVENT OF THE SUMMER.

We are completing another successful summer of junior golf at FGC. Carly and the staff has done a wonderful job organizing developing our juniors into great players and loving the game at the same time. The future of golf at FGC is in good hands. Our program wraps up with our Junior Club Championship on July 15th. We encourage you to invite all family and friends to watch your juniors play.

The FGC Member/Member sign up is live and is open to both men and ladies teams. The championship will be conducted on August 16th and 17th with the Calcutta held on Friday night, August 15th. Visit ForeTees or call the Golf Shop to get signed up for the best member only event of the year.

Looking forward to the next few months of the golf season as many fun events will take place at YOUR CLUB!!!

See you at the club!!!
