From The General Managers Desk

Doug Shiple - GM

Dear Members,

March is here, and with it, the hope that winter is finally behind us! With the warm weather we've been enjoying, it looks like we may be in for an early spring. I'm looking forward to seeing green grass, sunny days, and, most of all, our members back out on the course enjoying the game.

As we step into the season, I encourage you to consider inviting family, friends, and colleagues to join Fremont Golf Club. We have several golf and clubhouse memberships available, and we'd love to welcome new faces to our community. For more information, please reach out to Andi or me.

Stay connected with us by following our Facebook and Instagram pages! Share our special events with your friends, and you'll be entered into our monthly drawing for food and beverage giveaways, starting in March. Every share counts!

Our Chip in to Drive Out Hunger program deione hundred continues to make a meaningful impact. Since its inception, this initiative has been a great success, and in 2025 alone, we have received approximately \$3,000 in donations from house minimums and generous contributions from our members. Our first dinner donation will take place in early March, with a follow-up meal planned the following month. These meals provide a full dinner, including an entrée, salad, rolls, and dessert, to those in need. A heartfelt thank you to everyone who has contributed! We are still accepting donations to help support future dinners. If you would like to donate, please contact Andi or me. If you have donated in the past, please note that we do not automatically assume continued participation for 2025—so please reach out to confirm your support. Your generosity truly makes a difference!

March is packed with exciting events, including Fish Fry Fridays, Two for \$35 Specials, March Madness promotions, our St. Patrick's Day Celebration, Country Music Night, Sunday Brunches, and Birthday Night. Be sure to check our calendar so you don't miss out! To help us provide the best experience possible, we kindly ask that you make reservations for dinner and events, even if it's just 30 minutes before you arrive. We'll always do our best to accommodate your seating requests.

Take care, and I look forward to seeing you soon!

News From The Course

Josh Hegy - Director of Agronomy

Spring is just around the corner and we cannot wait to get out on the golf course! We received some much need moisture in February, but now we happy to see it melting away! The new bridge on # 8 has been installed and looks fantastic thanks to Matt Ulrich with Dodge Manufacturing! The old bridge was rotting away fast and was becoming a very dangerous hazard. New concrete footings were poured and then the bridge was moved into place. This will be a dramatic upgrade and can't wait for everyone to see it.

I would like thank Lucas Wood for his years of hard work and dedication to Fremont Golf Club's Agronomy Team! Lucas brought great experience and was always willing to help make FGC a special place. Lucas has accepted the head Superintendent job at Northridge Country Club in Tekamah Nebraska. Northridge is a beautiful 9-hole golf course that is very lucky to have Lucas on staff. We wish him the best and good luck going forward!

Golf Shop News

Nathan Kalin - PGA Director of Golf

Welcome to 2025!!! With the recent warm weather we have experienced it won't be long until we are playing golf!!!

As a reminder we will continue to use ForeTees for tee time and event reservations in 2025. If you have forgotten your login credentials over the winter please let me know and I can refresh your memory. As we break into spring our event signups will be available on ForeTees as well as the ClubCentral App for your convenience.

Looking to get new equipment in 2025?? We are here to help. We are beginning to receive our full line of demos from the major companies along with our launch monitor that will enhance the fitting services we are able to offer the membership. Our pricing will be just as good as or better than that of local retail outlets with better fitting technology and follow up. Schedule your fitting soon to get those new clubs when the season really gets going.

It is that time of year again when you may start to see some High Schools/College students out here practicing. FPS, Bergan, and Midland all use our facility to practice and host tournaments. We have them on a strict rotation schedule to help the flow of traffic, and to keep space available for our members. Please be patient as we work through the BUSY spring months. As a staff we are looking forward to a great year of golf in 2024!

Patrick Mactier-Food & Beverage Manager

Dear members,

We're getting closer and closer to the start of a great season! We are creating an amazing happy hour menu that will launch April 1st. We will start our wine down Wednesday specials in the next few weeks. So come out and try Chef Braden's hot new food menu and Yannick can craft any cocktail you could imagine!

Best regards,
Patrick Mactier

Braden Cleveland - Executive Chef

As we transition into the warmer weather of spring, we are excited to share our upcoming experiences with you! There are plenty of things to look forward to in March such as our Five Course Italian Wine Dinner on March 19th, Fish Fry Fridays, and our St Patrick's Day celebration. With golf season fast approaching, we will be launching our happy hour! This happy hour will start at 4PM and go until 5:30 PM and feature special small plates and appetizers and discount craft cocktails, beer, wine, and wells. Happy hour will begin April 1st. April will also bring our new spring menu featuring bright seasonal flavors and ingredients. I invite you to dine with us throughout the month and we hope to become one of your favorite dining destinations. Don't forget to make your reservation for our wine dinner asap, as spots are limited to 48 guests, I hope to see you there!

Best regards,
Chef Braden Cleveland

ABOUT THE PROGRAM

The FGC Board is proud to announce our 5th annual Chip In To Drive Out Hunger campaign. Many families in the Fremont area struggle to make ends meet and to put a hot meal on the table. We had great success with this campaign the last five years which was born out of the pandemic. While much of the world is "back to normal", there is always a need for a hot meal for families in our community. We will be running the program over the next several months. You may choose to support this with a monthly donation or as a flat \$ amount. After the first of the year, the staff at FGC will be working to prepare and deliver the meals to various agencies in our community that serve as the distribution site.

Please contact Andi at the club to let her know how much you'd like to contribute - andi.emmons@fremontgolfclub.org or 02-721-6641. Thank you in advance for helping our community.
