Letter From The President

Tim Ferguson-Board President

To the members of Fremont Golf Club,

I have had the privilege of serving on the Board of Directors for your golf club for the past couple of years and thoroughly enjoyed serving you as President this past year. With the support of a great board and the FGC leadership team, we had a very successful year and are set up to continue in the same manner.

We completed some significant projects this year and made some significant repairs and upgrades to the facilities. In the Clubhouse we replaced a major portion of the HVAC system, had computer and software upgrades, installed automatic handicap door openers on the front doors and bathrooms (shout out to the Ladies Golf Association for that!), and had some major kitchen equipment replaced.

Outside we renovated the handicap ramp to the front doors and improved the stairs going to the upper parking lot, replaced the bridge on #3 and installed a new approach, installed a turnaround by the back tee on #6 and kept Josh's guys up to speed with new mowers, rollers and a top-dresser.

Your new President, Jordan Zoucha, will get the honor of seeing the construction of the new maintenance shed, which has a projected start this fall. He will also be busy keeping up with our membership as to date we are 46 members ahead of last year on the course.

I've enjoyed welcoming a ton of new members this year and hearing their reactions to the club, the course and the people. So far, every reaction has been very positive, as I knew it would be. I have said before that we have one of the premier courses in the state with the staff to back it up. Josh and crew continually have our course looking amazing, Nathan and his team are the best around, our restaurant and bar team are always smiling and ready to serve. We have it good here! 😊

Please reach out to me or any member of the Board for any suggestions to make your club even better, that is what we strive for and why we volunteer our time.

Thank you for your continued patronage and here's to all of us having another great year at Fremont Golf Club!

Respectfully,

Tim Ferguson
Board President

Patrick Mactier-Food & Beverage Manager

We're gearing up for an amazing season at FGC! In May we will be dropping new menus for the restaurant and bar that will be sure to please. Our FGC wine club will kick off May 29th. Still plenty of time to sign up. Friday, May 29th we will have our first wine club wine tasting between 6 P.M. and 8 P.M. if you did join wine club or are planning to. You will receive your two bottles that are included with your membership that night. You will also receive your half off a appetizer coupon. During the tasting wine club members will get a three course tapas style meal that is included with your membership. So if you haven't joined yet we would love to have you.

As scheduled we are opening our pool Memorial weekend. We have a lot of new staff members this season that are great hard working people and excited to be apart of our team. So lets make this 2026 season one to remember.

News From The Course

Josh Hegy - Director of Agronomy

The wonderful spring weather has the golf course looking great! Some well-timed rain showers have been helpful getting the turf to wake up and put some growth on. This is especially helpful with getting the seed to grow.

May will be busy out on the course with Men's and Ladies leagues starting, a couple high school events, Men's stag on the 14th, The Bridge, and the Fremont Invite at the end of the month! I want to wish the Boys High School golfers' good luck as the spring season will be wrapping up for them.

The Agronomy team is busy keeping up with all the mowing that comes with spring growth. We are also completing our first applications to greens, tees, and fairways with some spring fertilizer along with Crabgrass pre-emergent and insect control. I look forward to this time of year as the Agronomy Team will be growing with the return of our high school and college team members. This will allow us to maintain the golf course with better efficiency and complete some projects during the summer months.

Get out and enjoy the golf course soon!

Golf Shop News

Nathan Kalin - PGA Director of Golf

Our golf staff and I would like to WELCOME all of the new members to FGC!!! If any of you have questions regarding events, or are looking to get involved, please reach out to me or a member of our staff and we would be happy to help.

The spring/summer merchandise is arriving daily, and it looks great!!! Also, for those of you looking for new equipment we have a large selection of demo clubs for you to try along with our GC Quad launch monitor to get you properly fit. We have the technology to check your current equipment to make sure it fits you, as well as custom fit you for a new set.

Again, this year we will be offering our very popular ladies clinic called Welcome to Golf and will be led by Carly. WTG will run from Wednesday, June 3rd through Wednesday, July 29th. This clinic will involve both instruction and play on the golf course and allows ladies a great opportunity to meet other gals to play with as well as enjoy the game of a lifetime. Call the Golf Shop or visit Foretees to get signed up for this program. OPENING NIGHT IS WEDNESDAY, JUNE 3RD AT 6:00.

Just a quick reminder on the club's Policies and Procedures; "Denim" is NOT ALLOWED Memorial Day through Labor Day. All players are required to have collared, or mock collared shirt on the course and range. Finally, we strongly encourage you to book a tee time to help ensure you get the time you are looking for, and it also helps the staff prepare for your arrival. Tee sheets open on ForeTees seven days in advance at 7:30 each morning.

As we move into May we are very excited for what is happening at Fremont Golf Club. We are very active with our programming over all segments of membership and if you ever have any questions, please reach out.

PLAY MORE GOLF!!!
